Re: Pagel Landfill Facility
Revised Release of Financial Assurance Request

Dear Bernie:

In response to verbal comments received from the United States Environmental Protection Agency (USEPA) Winnebago Reclamation Service, Inc. (WRS) is hereby withdrawing the January 30th request to release the Letter of Credit issued by Chase Bank (formerly Bank One), Milwaukee, Wisconsin. From what we understand, it is the opinion of the USEPA that any changes to the financial security referenced in Section XIV.(44) of the Consent Decree would require an amendment to the Consent Decree. Accordingly, at this time it is WRS's desire to avoid any unnecessary changes to the structure of the financial security specified in the Consent Decree which would delay releasing the financial security in excess of the amount required to complete the remaining work required under the amended Record of Decision (ROD). Therefore, WRS proposes to keep the existing financial security mechanisms in place, and simply rebalance the amounts under each existing financial instrument to reflect the current estimated cost to complete the work required under the ROD.

As specified in Section XIV(44) of the Consent Decree, WRS is currently providing financial assurance with a Letter of Credit issued by Chase Bank (formerly Bank One), Milwaukee, Wisconsin. In addition, WRS also maintains an Irrevocable Trust with PNC Bank (formerly National City, formerly First of America Trust Company). As of March 7th, 2012 the amount available under the Letter of Credit is \$3,850,000. There have been no reductions in the Letter of Credit since issuance. As of February 29th, 2012 the PNC Trust had funds available of \$1,663,863.99. The following paragraphs detail the financial instruments that are currently being used as financial security to assure completion of the remaining work:

Irrevocable Trust # 75-75-078-8365468 **Current Balance:** **\$1,663,863.99**
PNC Bank
One North Franklin
Chicago, IL 60606

Letter of Credit # 634131 **Current Amount:** **\$3,850,000.00**
JP Morgan Chase Bank, N.A.
300 South Riverside Plaza
Chicago, Illinois 60606.

Total: **\$5,513,863.99**

The current updated cost estimate, which has been determined to be \$1,402,300, is the approved amount estimated to cover any future work required under the ROD for the site. Winnebago Reclamation Service, Inc. currently has financial security in place that is substantially in excess of the amount required to complete the remaining portions of work required under the ROD. As such, WRS is requesting that the USEPA release the amount of financial security that is in excess of the current cost estimate. Upon USEPA's concurrence, WRS proposes to rebalance the amount of financial security provided by the existing financial instruments to the following amounts.

Irrevocable Trust # 75-75-078-8365468 **Current Balance:** **\$1,666,863.99**
PNC Bank
One North Franklin
Chicago, IL 60606

Letter of Credit # 634131 **Current Amount:** **\$5,000.00**
JP Morgan Chase Bank, N.A.
300 South Riverside Plaza
Chicago, Illinois 60606.

Total: **\$1,668,863.99**

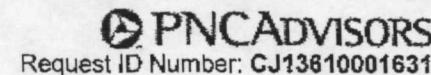

WRS has been diligent in maintaining financial assurance in excess of the amount required to complete the remaining portions of the work required by the ROD, and respectfully requests relief from the unnecessary and substantial financial burden that maintaining excess financial assurance has upon our business. In consideration of the unnecessary adverse economic impact that this has upon our business, we request that the USEPA prioritize Winnebago Reclamation Service's request for release of financial assurance.

If you have any questions or would like additional information regarding this matter, please feel free to contact me at 815-963-7528.

Sincerely,

Robert Otto
